Oral Presentation Guidelines

- All presenters of oral sessions are required to provide the session chair with a PowerPoint or PDF presentation and a short biography, 10 minutes before the start of the session, in a portable disk/USB flash drive.
- Presenters must use on premise Windows-based computer for the entire presentation. You will not be allowed to use your own computer.
- Each presenter has maximum 20 minutes (15 minutes presentation and 5 minutes questions and discussions).

Conference papers

Each conference attendee will be given a USB flash drive with all the SAUPEC2018 papers (proceedings and discussion papers). After the conference all presented proceedings papers will be compiled into the DEHT accredited SAUPEC 2018 Proceedings, published and made available on the SAIEE Website.

Registration

Attendance of conference is on condition that you register. Registration must be completed by 15th of January 2018. Visit the conference website for the instructions on how to register: http://bit.ly/2FpyLJ7

Poster Presentation Guidelines

- Poster presentations should be prepared on A0 size (841 mm X 1189 mm or 33.1 in X 46.8 in). Template file (*.pptx) is attached.
- Use minimal text and more images graphics
- Use clear and simple language in big font visible to a reader standing at least one meter away from the poster
